

# EDUCATIONAL DIRECTIONS

## BACHELOR DEGREE

- 5110800-Fine arts and engineering graphics
- 5110900-Pedagogy and psychology
- 5111000-Professional education (Surface transport systems and their exploitation (motor transport))
- 5111000-Professional education (Economy)
- 5111100-Music education
- 5111300-Mother language and literature (Russian language and literature in different language groups)
- 5111400-Foreign language and literature (English language)
- 5111600-National idea, fundamentals of spirituality and law education
- 5111700-Primary education
- 5111800-Pre-school education
- 5111900-Defectology
- 5112000-Physical culture
- 5112100-Technology education
- 5112200-English as a foreign language in preschool and primary education
- 5112500-Russian language in different foreign language groups
- 5120100-Philology and language teaching (Uzbek language)
- 5120100-Philology and language teaching (English language)
- 5120100-Philology and language teaching (German language)
- 5120100-Philology and language teaching (Russian language)
- 5120300-History (by countries and directions)
- 5120400-Archaeology
- 5130100-Mathematics
- 5130200-Applied mathematics
- 5140100-Biology (species by)
- 5140200-Physics
- 5140500-Chemistry (species by)
- 5140600-Geography
- 5150600-Vocal art (traditional singing)
- 5150700-Musical performance (folk instruments)
- 5150800-Painting (bench painting)
- 5151200-Applied arts (artistic pottery)
- 5151700-Organization and management of cultural and art institutions
- 5210100-Sociology
- 5210200-Psychology
- 5220300-Archive studies
- 5230100-Economics (by sectors and areas)
- 5240100-Jurisprudence (by the type of activity)
- 5320500-Biotechnology (by fields)
- 5350600-Library-information activities (by type of activity)
- 5410600-Zoo-engineering (fishery)
- 5411000-Fruit growing and viticulture
- 5411100-Technology of cultivation and processing of medicinal plants
- 5411600-Vegetable growing, horticulture and potato growing
- 5411700-Organization and management of greenhouse farming
- 5520100-Social work (children and mothers)
- 5610200-Hotel management and organization
- 5610300-Tourism (by type of activity)
- 5610400-Social-cultural activities
- 5610500-Sports activities (by type of activity)
- 5630100-Ecology and environmental protection (by sectors and areas)
- 5640100-Safety of vital activity
- 5330200-Information systems and technologies (by sectors and areas)
- 5510100-Treatment work
- 5510200-Pediatric

## MASTER DEGREE

- |   |  |
|---|--|
| 5A130101- Mathematics (by directions)                                   | 5A11701- Theory and methodology of Education (primary education)                       |
| 5A140201- Physics (by directions)                                       | 5A110801- Fine arts and applied decorative arts  |
| 5A130201- Applied Mathematics (by fields)                               | 5A610501- Sport activities (by type of activity)                                       |
| 5A140501- Chemistry (by the field of science)                           | 5A120102- Linguistics: Uzbek language  |
| 5A140101- Biology (by the field of science)                             | 5A120301- History of Uzbekistan  |
| 5A120101- Literary Studies: English literature                          | 5A130103- Differential equations and mathematical physics                              |
| 5A120401- Archaeology   | 5A140204- Condensed Matter Physics and Materials Science (by species)                  |
| 5A230102- Economy (by sectors and areas)                                | 5A120102- Linguistics: Uzbek language  |
| 5A112001- Physical education and theory and methods of sport activities | 5A140602- Geography (by object of study)   |
| 5A120102- Linguistics: English language                                 | 5A111601- Methods of teaching social-humanitarian Sciences (spirituality fundamentals) |
| 5A120102- Linguistics: German language                                  | 5A111801- Theory and methodology of Education (pre-school education)                   |
| 5A11101- Music education and art  | 5A120302- History (by directions and types of activities)                              |
| 5A111301- Native language and literature: Russian language              |  |
| 5A110901- Theory and history of Pedagogy (by type of activity)          |  |

# NAMANGAN STATE UNIVERSITY

# FACULTIES:

1. Faculty of Mathematics

2. Faculty of Physics

3. Faculty of Natural sciences

4. Faculty of Pedagogy and psychology

5. Faculty of Pre-school and primary school education

6. Faculty of Philology

7. Faculty of English philology

8. Faculty of World languages

9. Faculty of Law

10. Faculty of Social sciences

11. Faculty of Physical culture

12. Faculty of Economics

13. Faculty of Art

14. Faculty of Biotechnology

15. Faculty of Music education and culture

16. Faculty of Medicine

*Namangan State University established in 1942 and obtained the status of university in 1992. The university considered one of the largest higher educational institutions in the country, where the teaching process conducted with the combination of education, science and research.*

*Currently exists 52 bachelor degree programs, 26 master degree specialists, 24 PhD specialized fields at the university. The forms of education consist of full-time (day), full-time (evening), part-time and distance. Total number of students is over 21000 which about 700 teaching staffs are engaged in teaching activities. The scientific potential (teaching staff with doctoral degrees) consists of 35 percent of total 700. In order to further increase the scientific potential, the university has scientific councils in 9 specialties.*

*The university has all the conditions for a high quality educational process, i.e. there are educational buildings, comfortable auditoriums equipped with the necessary technics, modern laboratories, comfortable student dormitories, sports and recreation complexes.*

*The university cooperates with 42 leading universities of the world. Every year, over 100 students and professors are sent to foreign universities to attend for internships and trainings. Every year 30-40 foreign specialists and professors are involved in teaching process.*

*One of the important strategic plan of the university is to get a place in top 1000 ranking programs such as QS and Times Higher Education.*
