

PĂDUREA ERASMUS

The Erasmus Forest

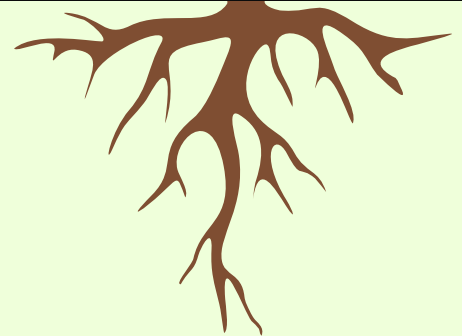

HOREA

The Seven Erasmus Forests project was launched in 2021 as part of the institutional strategy to support the European objectives of sustainable development by the community of beneficiaries of projects funded by the Erasmus+ and European Solidarity Corps programmes and the staff of the ANPCDEFP, during the period 2021-2027.

BIHOR
COUNTY

**7000 square metres
of land ready to be
planted with trees**

**Land provided by the
Forestry Department of
the Bihor county**

3500
seedlings

3
tree
'species

125
students

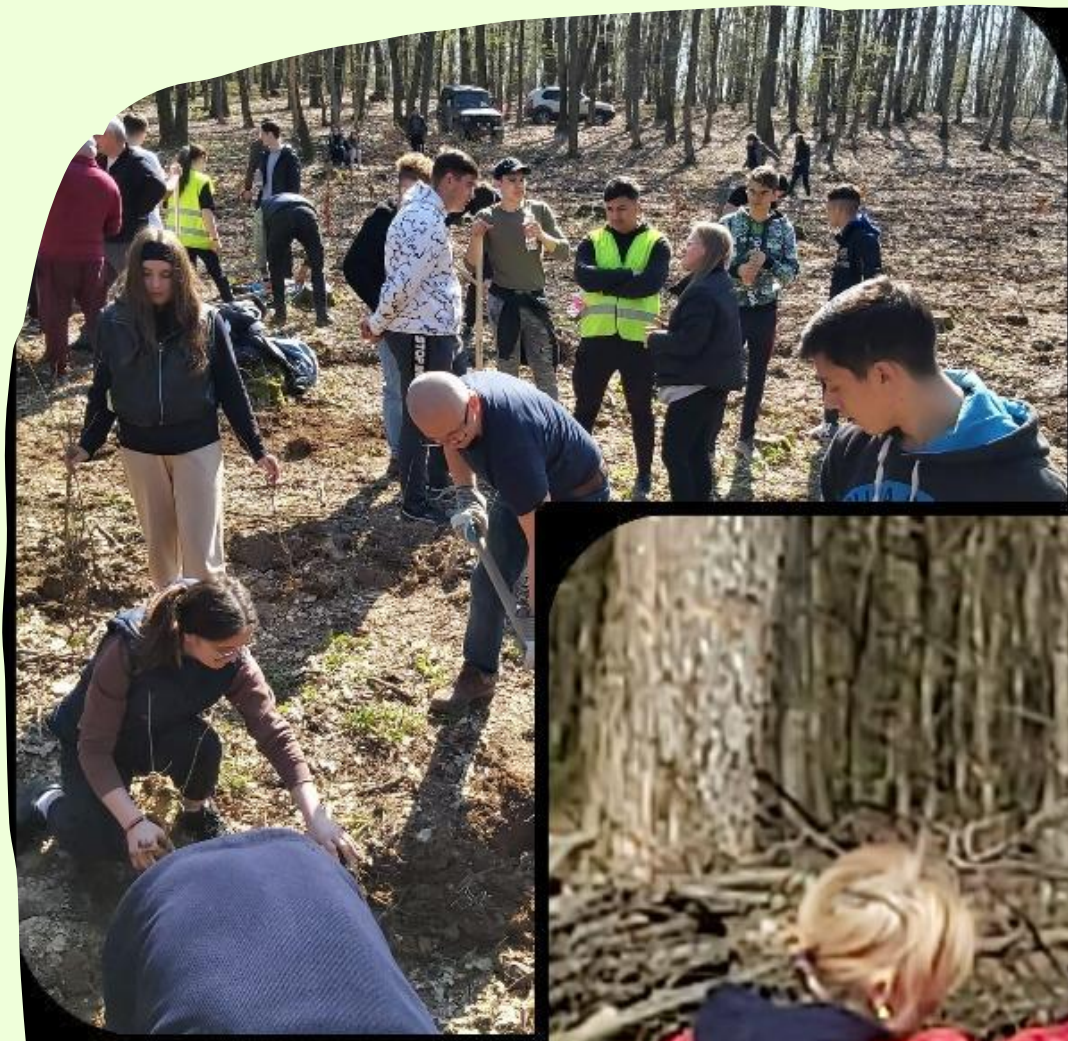

>50
volunteers

3500 seedlings provided by the Bihor Forestry Department were planted.

Trees such as ash, sessile oak, and brown oak were planted.

125 Erasmus students, 20 fire brigade volunteers, Marghita city police force, bank representatives and other local stakeholders participated.
