FOTO IESKATS

"It was very great experience for me. I will recommended your institution to other students. It really was very good BIP for our profession. Thank you, for the good organization!"

Svitlana Schukina, Kauno kolegija, Lietuva

The National Rehabilitation Center Vaivari was visited, where the latest equipment was demonstrated to help restore movement abilities. How to work with people with disabilities was presented, and many useful tips were received on how to develop communication when doing nursing work.

Paulius Žiūkas, St. Ignatius of Loyola College, Lietuva
