About

Welcome to the Erasmus+ Project Results Platform.

This database will give you access to descriptions, results and contact information of all projects funded under the Erasmus+ programme and some of the projects funded under its predecessor programmes in the field of education, training, youth and sports.

You can find inspiration from the pool of good practices and success stories, i.e. projects that distinguished themselves in terms of policy relevance, communication potential, impact or design.

You can type keywords in the above search box and/or use the advanced search options to find the project(s) you are interested in.

Complete list of all projects available in the platform

Here you can find lists of the projects the European Commission funded under Erasmus+ and its predecessors programmes in the field of education, training, youth and sports. You can save the list as an Excel file, so that you can apply your own filtering and sorting.

Access the Participants Portal

If you are looking for potential partners for your Erasmus+ project proposal, you will be able to search for registered organisations in the Participants Portal, your entry point for the electronic administration of EU-funded projects under Erasmus+ and other EU programmes.
